

# Day-9: Styling React Comp

22 December 2022

09:12 PM

## 4 ways to add CSS

1) CSS Stylesheets (External css): `import './stylesheet.css'`

2) Inline Styling : `<h2 style={heading}>Hello inline css</h2>`

3) CSS Modules : `AppStyles.modules.css ==> import styles from './AppStyles.module.css'`

4) CSS in JS Library(Styled comp)

## Form handling
